Dear Parents and Carers,

It was a proud moment on Wednesday morning for our SRC members (Riley, Darren, Isabel, Olivia, Lia, Clare and Erin) who had been asked to speak at the Communities for Children Conference being held in Launceston by Rachel Lucas. The focus topic was “Child Friendly Communities” and our SRC decided to focus on the topic of: “What makes Launceston a child friendly city?” followed by their ideas of “How to make Launceston even more child friendly”. Any adult would have been daunted to speak to a delegation of approximately 500 professionals, however our students represented Evandale Primary School with flying colours and should be very proud of themselves. Thank you to their parents for bringing them to school early and for ensuring that they looked great in their school uniforms. A big thank you also to Mrs Carroll for transporting some of our students to and from the venue. She is a special person who always goes well beyond the job description of a School Business Manager.

Today we have 39 students representing Evandale Primary at the Northern Midlands Cross Country at Cressy District High School. We wish them well and know that they will try their best and represent our school well in relation to sportsmanship and behaviour. Thank you to Mrs Binns and Mr Chick for accompanying them for the day. Mrs Binns will include a report on the event in our next newsletter.

Teachers are currently writing Mid Year reports in the areas of English, Mathematics, Science, History, Geography, Health & Wellbeing, Arts and LOTE (for primary students). Notices will go home late next week with available parent teacher times. It is important that families indicate their 1st, 2nd and 3rd preference times so that we can try to coincide appointments as close as we can with class teachers of any siblings. Please return your forms promptly, otherwise we cannot guarantee preferred times will be met. Parent teacher interviews are a vital link between home and school and provides an opportunity to share vital information about your child and their education. Interviews will commence on Wednesday 25th June (our late night session) through to Wednesday 2nd July.

Regards

Di
